Philosophy/Mission Statement

The purpose of Iron Horse Country Ranch LLC's Camp is to give children a better sense of themselves by building their confidence and self esteem. We accomplish this through the use of dirt bike motorcycles and animals on our ranch to engage kids in the great outdoors, while they can have more fun than imaginable!

Personal Background/Qualifications

Justin Turner, owner/director of Iron Horse Country Ranch and Summer Camp, established in 2006 for the enjoyment of families and kids to ride.

I was raised on a farm in Kansas and then moved to Houston, Texas for my high school years. I helped expand our family businesses Intercontinental Child Care & Montessori School for 12 years. I went to the University of Texas, and built my company Jet Computer Corporation for the last 21 years. During this time I have always been riding something with 2 wheels. In my earlier years, I raced bicycles. Cycling USCF CAT3 , Mountain bike racing, 24hr races, Triathlon Ironman distance. Ran my last marathon about 3 years ago. I have always had a dirt bike as far back as I can remember. Raced motocross as a kid and in my college years raced road bikes. My motorcycle experience – spans 34 years of riding and training on and off road motorcycles and racing. I am 49 now and with the purchase of our ranch 7 years ago , my life has come full circle. My biggest qualification, my wife and kids - married 21 years – and being a father of 2 children (12 & 16 years old) .We have watched our kids and friends grow up on the ranch and would like to pass on the great experiences to others. The motorcycles have really been the key to getting them to have fun outside. Starting the camp 3 years ago I got more formal training with teaching through the Motorcycle Safety Foundation certified Instructor program from Honda's Training Center. We have put more than 600 riders through our program to date without any serious injuries. We have refined our equipment and motorcycles and continually update our training program to improve it and make it easier for kids and parents to ride safely. I believe we have become the only successful camp in Texas or the U.S for riding because we have found the right way to manage riders, equipment and terrain to minimize the risk of injury in our unique summer camp program.

I and all my staff are trained by American Red Cross Safety organization and Certified. All of our staff is specially trained in our program of motorcycle education for children riders combined with a low ratio of staff to riders. Your child's safety is our main concern.
